Erasmus Plus Student Mobility 2018-2019

Dear Students,

There are 43 spots available for the coming academic year, at 22 institutions in 10 countries.

Please note that some spots are earmarked for BA or for MA students exclusively.

Requirements:

You need to be in your second year of BA or first year of MA studies at the time of applying.

Candidates are expected to have minimum 4.0 grade average (or at least 3,49 in exceptional cases).

Please note that at the ASC, unlike in some other faculties/institutes of the University of Warsaw, the option for current third year BA students is not available, due to specific program requirements during the first year of MA studies (number of mandatory courses). Current third year BA students can apply next year, when they are in their first year of MA studies.

Normally, these scholarships are for one semester (preferably the first one, i.e. in the Fall), only in Lausanne it is one year (with possible restrictions regarding financing of the second semester).

Application process:

Please file your application with the ASC Office (Dziekanat) by Friday, February 23rd, 2018 and sign up for your interview.

Interviews will be conducted on Monday, February 26th, starting at 10:00, and (if necessary) on Tuesday, February 27th.

Each interview will take about 15 minutes.
