Batman

– Dark Knight of Moral Anxiety.

Popcultural mythology of USA

Mr. Chudoliński will talk about:

1. Batman's origins and his creators. The life and tragedy of Bill Finger, who's forgotten co-creator of this mythology
2. **1939-early 80's** – Evolution of The Dark Knight – how Batman changes in time and how he reflect various moods in American society
3. **80's - nowadays** – Frank Miller's *The Dark Knight Returns* and Tim Burton's *Batman* as demarcation point of understanding Batman; Christopher Nolan's *The Dark Knight Trilogy* as a metaphor of post- 9/11 war with terror
4. What Batman tells about modern society and what will be future of popular culture in general?

Q & A will follow, naturally
