

## **Paweł Frelik**

### **Against Narrative and Design: How to Stop Being Puritan and Do Things with Contemporary Culture**

#### **BIO**

Paweł Frelik's teaching and research interests include science fiction, audiovisual media (film, television, video games, music video), and unpopular culture. He has published widely in these fields, serves on the boards of *Science Fiction Studies*, *Extrapolation*, and *Journal of Gaming and Virtual Worlds*, and is the co-editor of the *New Dimensions in Science Fiction* book series at the University of Wales Press. In 2013-2014, he was President of the Science Fiction Research Association, the first in the organization's history from outside North America, and now serves as SFRA's Immediate Past President. He is also Science Fiction Division Head of the International Association for the Fantastic in the Arts.
